

"I want to connect with employees so that they receive important, relevant, and interesting content using the Community App. For me, it's important to keep employees informed and engaged, so that they are productive members of the team."

MANAGER | COMMUNICATOR | MARKETER

"Sometimes I go to the Community App to see what's going on at the company. Other times I just need to check my paycheck or know what the schedule is for today. But most of the time, all I see are a bunch of articles."

EMPLOYEE | DESKLESS WORKER
